

## WIC Income Eligibility Guidelines 2017-2018

A WIC Applicant is automatically income eligible to apply for the WIC program if currently enrolled in either the Louisiana Medicaid Program, or the Louisiana SNAP (Food Stamp) Program, or Temporary Assistance to Needy Families (TANF), or LA CHIP, or LA MOMS.

If not currently enrolled in at least one of the above programs, a family income screening will need to be completed following the 2017-2018 income guidelines for the WIC Program. An individual may not participate in WIC at more than one site, or in more than one state, during the same month.

To see if you are income eligible to apply for the Louisiana WIC Program, find your family size and compare your current gross household income (before deductions) to the income listed. Note: In the case of prenatal women, the fetus may be counted as part of the household.

Any additional questions or concerns about income eligibility may be answered by calling 1-800-251-BABY or contacting your local WIC site.
